Saved.

eless true, that a disaster so appulling as that which occurred Friday night, less than one hundred miles above Louisville, should still be shrouded in confusion and doubt; that a ch and distinct narrative should be wanting nearly forty hours after the tractic event; that the fate of hundreds should continue in a state of gloomy suspense; and that every effort ive been and is yet attended by almost insurmountable obstructions. During the greater part of Saturday and the whole of Saturday night our of saturany and use whose of saturany high our efforts were naturing. As far as the wires and our own corps of reporters could be employed, they were kept in constant employment. But they were most everywhere by condicting russors and wearying delays, in Cincinnati the same experience seemed to be duplicated. We were receiving as we were inite but the dreadful character of the a lident

rean crew. We alender vir to make that

err of the mail line were carrying their load of human freight to and from Cheinnatt, at two miles above Warsaw, near Rail's Landing, on the Indiana shore, they met. Both boats are sup-posed to have sounded their whistles at the same time, so that neither pilot could hear the other signal; then, when the second whistle sounded. it was, alas, too late.

THE LADIAS' CABIN of the United States had that evening been the

of pieusant dreams, when a shock was left, and then came the awful, sickening cry of THE BOAT IS ON FIRE AND SINKING.

In a minute the scene changed from the gayety of youth to a cardyal of death. People, old and young, men, wemen and children rushed into the brothers and sisters, fathers and children, look-

ing at each other in agony, too many, alas! taking a final view of their loved ones. At this stage] a focus thing a final was made by Miss Jones to a gentleman on board.

THE BRIDAL PARTIES

that would cover their feet and nakedness.

Cotthing was gone, elegant trousseaux with had cost so much time and trouble in getting together were lapped up to the hongry fames. Money was gone, and penulless, nearly naked, three of the newly-marrid ples changed their warm beds for who was a large trouber peri hed. Capt. Pearws.

When Tay r. rk, and other other other of the last.

n. o the setta - It was coloris and it said in so great that be could not find her. Mained by the dastarily a the made after the their, and setzing him by the throat a struggles.

The probability of the probability shorts and assembled on the kennety of up steam on the two boat. Relinder, rest if struggling, and when the struggling and struggling and struggling and when the struggling and struggling an with each other. Whether ther was both wend down together; not known.

h I me n i - present of min I and mani

FOR OF THE COLLISION.

That the America was so little damaged while the induced states was made a complete wreek or the collision, is explained by the fact that the sharp beau of the America struck the Indied states fairly on the side while the inter was backing and could give no corresponding blow. The America had only just been prepared for the king when the collision came.

wild obtain no clue to their fate.

Miss Hattle Jones, her parents and little rith rivere to have taken a boat here on Sarriav to New Orleans, and thence to their home in bortla-Mr. George Zeigler, of Nasheller, and wife, viewed on incautionally, were marrie of both the control of the

In grow the she of family the very and the water. By hicky chance the brothers reach the water, By hicky chance the brothers reach the of the fenders aft the states, and slid down into the water, and after much difficulty got above. To their coolines and courage much of the diffe-saving is due, and their calm survey of the diffe-saving is due, and their calm survey of the diffe-situation in great part insured the transmission of intelligent accounts of the dissipation.

But the saved laws now all gone principally to the distribution of the difference of the laws of the distribution of the difference of the laws of the distribution of the difference of the laws of the distribution of the difference of the laws of the distribution of the difference of the laws of the distribution of the difference of the laws of the distribution of the difference of the laws of the distribution of the difference of the laws of the distribution of the difference of the laws of the distribution of the difference of the laws of the distribution of the difference of the laws of the distribution of the difference of the laws of the distribution of the difference of the laws of the difference of the difference of the laws of the difference of the laws of the difference of the laws o

CLOSING SCENES. the boat, fall on others, and both sink together.

But the saved lave now all gone principally to He did not remain on the hurricane deck long. But the saved lave now all gone principally to Cincinant. Louisville, and Madson. Tears will be used to be use of the United States had that evening been the scene of unusual gavety. There were bridst parties on board full of the happiness of their new love, young and beautiful girls just blushing tut) womanhood, gallant cavaliers paying homege at beauty's shrine. Conversation music and daning, served to make the hours fly; among the hrightest and fairest were the Misses and the pure felding of the arms in recognition of their face, folding them peacefully, silen'ly.

Wash were built to warm them, of tender hands that caved have saved have gone there gone home; those who were not have gone there gone home; those who were not have gone there is continued to the mighty river, as if Death had wished to catch and make eternal the last amile, the last gaines and the pure felding of the arms in recognition of their face, folding them peacefully, silen'ly.

He has a irrother hore now anxiously, but almost horseless was alling to dress himself, but admontabled that caveles that caveled for the boar quickly. Mr. H. then gathered too, borne to eternity by the freezing embrace of the wight value of the mighty river, as if Death had wished to catch and make eternal the last amile, the last gaines of the last parties of the room leaving mr. Lee, who got his coltes and stepped out of the room, leaving mr. Lee, who got his value and overcost, and followed, lau when he got into the call in the might private for the boar quickly. Mr. H. then gathered too, borne to eternity by the freezing embrace of the well of the room, leaving mr. Lee, who got his coltes and stepped out of the room, leaving mr. Lee, who got his value and overcost, and followed, lau when he got into the call in the might private for the boar quickly. Mr. H. then gathered that cared for the boar quickly. Mr. H. then gathered that cared for the boar quickly. Mr. H. then gathered that cared for the boar quickly. Mr. H. then gathered that cared for the boar quickly. Mr. H. then gathered that cared for the boar quickly. Mr. H. then gathered that cared for the boar quickly.

THE WHECKS.

Nothing remains of our beautiful double paraces but the wheel-house of the States or at least part of it, the beautiful decorations of which seem but a h rrid mockery, while on the Indiana ust dispersed with merry good nights and wishes shore rests a charred wheel and frame, all that is

bear, and the famines were forcing their way gradually into the cabin, she went to him saying, "Unit Mr. — you have tailed to me this evening, you have danced with me, you have danced with me yet defend over danced with me, you have danced with means of the distribution.

Knocked Bown by Negrues.

A gentleman was knocked down by a party of three negroes in front of the First Pre-byterlan church, Sixth and Green streets, yesterday evening about seven o'clock. He was found Ising Insensible by some persons passing. The net was not witnessed by any one and the negroes escuped. Their object was not known as he was toll robbed of anything. He was severely wounded about the head and face.

The News. The News.

The News.

The deep anxiety of the public to gather news of the terrible calamity of Frilay night was shown by the fact that our large edition yesterday morning was soon entirely exhausted, and we were compelled in order to supply the demand to put the forms to press at cight o'clock and again at eleven o'clock yesterday. In the afternoon we issued an extra, and the rush for it can ho r or two almost equaled that for our regular edition in the morning.
